

Experienced Linux System Administrator and M. Tech Computing Systems and Infrastructure student at BITS Pilani. Skilled in managing and maintaining Linux systems, with a solid background in system administration. Completed BCA from Aryabhatta Knowledge University Patna, showcasing a strong foundation in computer science. Passionate about technology and continuously exploring new projects and opportunities.

I have a keen interest in open-source development and have contributed to various projects, which can be found on my GitHub profile: <https://github.com/flyingsonu122>. Additionally, I maintain a personal website where I share my thoughts and experiences: <https://singlebucks.blogspot.com>.

Feel free to check out my portfolio at <https://sonukushwaha.com> to explore my previous work and projects. If you'd like to learn more about my skills and experiences, please refer to my resume: <https://sonukushwaha.com/resume.pdf>.

I am open to new opportunities and collaborations, so don't hesitate to connect with me on LinkedIn <https://www.linkedin.com/in/sonukumarkushwaha/>.
